Dear Prof. Racek ,

Thank you for sending to me the auspices application form for the Xth Czech National Congress of Clinical Biochemistry organized by the Czech Society of Clinical Biochemistry which will be held in 20-22 September 2011, Pilsen, Czech Republic.

I am pleased to inform you that IFCC auspices have been granted for this congress. It is extremely important to indicate the IFCC auspices and inclusion of the IFCC logo in all the brochures and web site of the meeting. In the meantime, please provide the updated program of your congress.

I wish you much success in the organization of the meeting.

Sincerely,

Prof. Dr Tomris Ozben
